Do U Care? The new website for Looked After Children

A special website called Do U Care? has been launched by the Mayor of South Tyneside and the Director of Social Care and Health which is for use by all the people who get this newsletter. The website was produced in partnership with Jonny-longlife.com and has been made by four young people, Lindsey, Bill, Lee and Lynn,

who have all had experience of being Looked After. This means that they have had some of the experiences that you might have had. The website can be found by going on the internet and typing in www.doucare.co.uk. Hopefully you will have received some information about the site already and a mouse mat for your computer with the website address on it. We hope you enjoy using the site and find it really useful for finding out about being in care. You can even tell your mates about the site if you want them to know more about being Looked After. The website also has sections for you to write in some of your own experiences of being Looked Af-

ter and you can read other people's and find out if anyone else has had the same experiences as you. There

www.doucare.co.uk

are some great games to play (like Pac Man!) and some jokes to read! If you like the website then please let us know by emailing us at ype.newsletter@s-tyneside-abc.gov.uk and telling us what you think. If you need any help in finding the site on the internet then please give us a ring on 424 4633 and we will try to help.

Introducing.... Janet Campbell — the Looked After Children's Nurse

Janet Campbell

Hi, my name is Janet Campbell and I am the Looked After Children's Nurse in South Tyneside. It's my job to help you with any health worries that you might have. I can also carry out your regular health checks.

If you have any worries relating to health, stress, immunisations, relationships etc. all you need to do is come down to Jarrow Community Hospital or speak to me by telephone on 451 6460 and I can come out and see you.

Contact Centre Consultation Results

You might know already but the Social Care and Health Department is opening a new Contact Centre at Owen Drive. The idea is that any Contact that you have will take place in the new centre.

In case you didn't know Contact is the word used to describe seeing or speaking to members of your family or friends. Well the centre is opening soon but we wanted to ask some of you how the centre should be run and what it should look like. So we have spent the last few months trying to find out what some of you think about this idea. We asked a few questions about the centre and this is what some of you said:

Types of activities you would like to do during contact are:

- Playing computer games
- Cooking a meal
- Playing board games
- Watching TV
- Watching videos
- Drawing pictures /making things
- Basketball hoops
- Reading
- Help with homework
- Talk about things to mam

What should the centre look like?

- At least 6 rooms – red or blue including lounge, poolroom, computer room, kitchen, office and toilet.
- Activity rooms in fun colours.
- Orange and blue rooms.
- Yellow and blue rooms.
- The rooms could be red, purple or blue – big rooms with sofas and sky TV, a place to have snacks and use adventure play stuff for the little ones.
- The rooms should be black and white.
- There should be a sitting room, kitchen, and games room as well as dressing up room – they should all be bright colours.
- They should be purple and yellow.
- There should be separate rooms for babies.
- A quiet room to talk in.

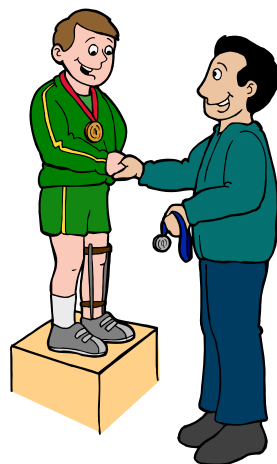

What would the worst centre ever look like?

- Not open on Saturday or Sunday.
- No games to play
- Dark with nothing to do, overcrowded, nothing to eat, and only open when we are at school.
- No toilets or ones that are busy all the time
- Open at unreasonable times
- No colours
- Only open during the week
- Lots of people all at the same time
- Full of babies
- Lots of little kids running around
- Nowhere to play with friends
- Too many staff hanging around
- Lots of strange people being there
- Too many people

We would like to thank every one who responded and answered the questions—a special congratulations to Tony who was selected to win the final prize. Well Done. Look out for more information about the Contact Centre in the next Newsletter!

Book Reviews —

The Young People's Engagement Team love reading books and we know that some of you do as well because you have sent us your reviews of the books that you have read – thanks very much. Make sure you send us your book reviews if have really enjoyed a book! Or tell us about your favourite films, music or t.v. program!

Matilda written by Roald Dahl

I liked this book because it was very funny. When Matilda is sick of it, she goes to the Library and the librarian and Matilda get to be friends. Later she goes to school and her headmistress, Miss Trunchbull is horrible but her teacher Miss Honey is nice.

Ryan aged 9

“These are creatures who guard the prison of Azkaban and they suck out your soul. “

Harry Potter and the Order of the Phoenix by JK Rowling

I started the book on July 10. I think the book is exciting because I couldn't wait until I got up to the part where someone dies. I will not tell you who it is because for those of you who have not read it, it will be spoiled. Harry Potter is my favourite character and Ron Weasley is my second favourite because he is really good friends with Harry. Younger Kids might find this frightening because the Dementors are back and they're a bit scary. These are creatures who guard the prison of Azkaban and they suck out your soul.

Children Splashing
Waves are clashing
Parents are kissing
Boys are missing
And that's the end of the poem!

Where do you think Laura is describing? Write in and tell us what you like to do and where you like to visit in your spare time!

Remember that when you send us anything you must put your first name and address on it so that we can send you your prize or contact you again!
